November 8, 2022 Election Law Calendar

The uniform election date in November of even-numbered years, by statute, is the general election date for federal, state, and county officers. Additionally, many local political subdivisions have their regular general election for members of their governing bodies in November of even-numbered years, or they may order special elections for this date to vote on propositions or to fill vacancies. Therefore, this calendar is required to meet the needs of many different governmental bodies. If there are questions about the applicability of something in this calendar to your specific election, do not hesitate to call the Elections Division of the Office of the Texas Secretary of State at 1-800-252-VOTE (8683).

NOTE REGARDING CERTAIN STATUTES AND GOVERNMENTAL ACTIONS THAT RELATE TO THE FEDERAL CENSUS: Pursuant to HB 2025 (2021), the population figures from the 2010 federal census will continue to apply with respect to a statute that applies to a political subdivision having a certain population according to the most recent federal census until September 1, 2023. The bill specifies that a statute does not apply to a political subdivision to which the statute did not apply under the 2010 federal census, regardless of whether the political subdivision has the population prescribed by the statute according to the 2020 federal census.

1. Note on Campaign Information

Under Title 15 of the Texas Election Code, candidates running for an office must file campaign contribution and expenditure reports. For further information and all questions about such disclosure filings, campaign finance, and political advertising, please contact the Texas Ethics Commission at 201 E. 14th, 10th Floor, Austin, Texas 78701; call 512-463-5800; or access their website. Candidates filing for federal offices should contact the Federal Elections Commission toll-free at 1-800-424-9530 or visit their website.
2. Note on Statutory and Administrative Code References

Unless otherwise indicated, all references are to the Texas Election Code. The county election officer is either the county clerk, the county elections administrator, or the county tax assessor-collector, depending on the actions of the county commissioners court. (Secs. 31.031; 31.071 & 31.091). The county voter registrar is either the county clerk, the county elections administrator, or the county tax assessor-collector, depending on the actions of the county commissioners court. (Secs. 12.001; 12.031; 31.031 & 31.071).

Any references to the Texas Administrative Code are cited to the relevant section of the “T.A.C.”

3. Note on Web Posting Requirements

Please see Tex. Sec'y of State Election Advisory No. 2019-19 for more details on web posting requirements; however, the requirements are summarized below.

As of January 1, 2020, each county shall maintain a website. (Sec. 26.16(a), Tax Code).

A political subdivision with the authority to impose a tax that maintained a publicly accessible website at any time on or after January 1, 2019, and that is not subject to Section 2051.202 of the Government Code must post the following items on the entity’s Internet website (Secs. 2051.201, 2051.202, Government Code). See Internet Posting Requirements for Political Subdivisions (PDF):

1. The political subdivision’s contact information, including a mailing address, telephone number, and e-mail address;
2. Each elected officer of the political subdivision;
3. The date and location of the next election for officers of the political subdivision;
4. The requirements and deadline for filing for candidacy of each elected officer of the political subdivision, which shall be continuously posted for at least one year before the Election Day for the office;
5. Each notice of a meeting of the political subdivision’s governing body under Subchapter C, Chapter 551 of the Government Code; and

Our office recommends consulting with your political subdivision’s local counsel regarding the particular posting requirements under Subdivisions (5) and (6) referenced above. Please note, the requirements for posting notice of meetings and record of meetings of the political subdivision’s governing body do not apply to:

1. A county with a population of less than 10,000;
2. A municipality with a population of less than 5,000 located in a county with a population of less than 25,000; or
3. A school district with a population of less than 5,000 in the district’s boundaries and located in a county with a population of less than 25,000.

NOTE-NEW LAW: HB 1154 (2021, R.S.) amended the Government Code to include Section 2051.202, effective September 1, 2021. Section 2051.202 of the Government Code requires a special purpose district with certain financial and population characteristics to post specific information on an Internet website. “Special purpose district” excludes from the term a municipality, county, junior college district, independent school district, groundwater conservation district, river authority, or political subdivision with statewide jurisdiction. (Sec. 2051.202, Government Code).

During the 21 days before the election, a debt obligation order under Section 3.009 must be posted on the political subdivision’s Internet website, prominently and together with the notice of the election, a copy of the sample ballot, and the contents of the proposition, if the political subdivision maintains an Internet website. (Sec. 4.003(f)).
NOTE-NEW LAW: SB 1116 (2021, R.S.) amended Chapter 4 of the Election Code by adding Section 4.009 regarding candidate and polling place information which must be posted on county, city, and school district websites. Specifically, not later than the 21st day before election day, a county that holds an election or provides election services for an election must post certain information related to their upcoming elections. A city or independent school district that holds an election and maintains an internet website must also post this same election information on their website even if the county is also posting this data.

- The date of the election;
- The location of each polling place;
- Each candidate for an elected office on the ballot; and
- Each measure on the ballot. (Sec. 4.009).

NOTE-NEW LAW: SB 1113 (2021, R.S.) amended Chapter 65 of the Election Code by adding Section 65.016 of the Code regarding election results information which must be posted on county, city, and school district websites. Specifically, a county that holds an election or provides election services for an election for a public entity must post certain information on their website. A city or independent school district that holds an election and maintains an internet website must also post certain information on their website related to election results, even if the county is also posting such information. Information should be posted as soon as practicable after the election and must be accessible without having to make more than two selections or view more than two network locations after accessing the home page of the county, city or school district, whichever is applicable. Required information on the websites must include:

- the results of each election;
- the total number of votes cast;
- the total number of votes cast for each candidate or for or against each measure;
- the total number of votes case by personal appearance on election day;
- the total number of votes case by personal appearance or mail during the early voting period; and
- the total number of counted and uncounted provisional ballots cast. (Sec. 65.016).

We recommend that election results information remain posted on the entity’s main page (or within two clicks of the main page) at least until the next election, and that the information continues to be available for the full 22 month retention period for election records. Entities may choose to make older election results information available on their website.

4. Note on Required Use of County Polling Places

Political subdivisions holding an election on the November uniform election date MUST use county election precincts and the county polling places on election day. This is the case even when the county has adopted the countywide polling place system; in that case the entity must have a presence in every countywide location in the county, not just the locations physically within the territory of the political subdivision. (Secs. 42.002, 43.004, 43.007(e)).

NOTE: If a political subdivision is located in more than one county, the political subdivision is required to use the county election precincts and county polling places that serve the political subdivision’s voters in each county.

NOTE: As this election is being held on the date of the general election for state and county officers, no consolidation of county election precincts may occur. (Secs. 42.002(b), 42.008, 42.009).

NOTE: When a county is using the countywide polling place program and a court order requires any of the polling locations to remain open past 7 p.m., then ALL countywide polling place locations MUST remain open for the same amount of time, as required by the court order. (Sec. 43.007).

In an election held by a political subdivision other than a county on the November uniform election date, and in which the political subdivision is not holding a joint election with a county in accordance with Chapter 271 of the Code, or has not executed a contract for election services with a county elections officer pursuant to Chapter 31 of the Code under which
the political subdivision and the county share early voting polling places for the election, the political subdivision must designate as one of its own early voting sites one of the early voting sites established by the county that is located in the political subdivision. If such a shared polling place is designated as the main early voting polling place by the political subdivision, it must be open for voting for all political subdivisions the polling place serves for at least the days and hours required of a main early voting polling place for the political subdivision making the designation. (Secs. 85.010, 85.002, 85.062(e)).

NOTE: The deadline for counties who were not previously designated as “successful” or counties applying to the countywide polling place program for the first time to submit their proposed written plans to participate in the program for the November 8, 2022 general election date is Monday, August 1, 2022. See 2022 Opportunities to Use Countywide Polling Places and Countywide Polling Place Program FAQs.

5. Note on Notice of Candidate Filing Periods

The authority with whom an application for a place on the ballot is filed must post a Notice of Deadline to File an Application for Place on the Ballot (PDF), listing the filing period dates in a building in which the authority maintains an office. The notice must be posted not later than the 30th day before the first day to file. (Sec. 141.040). If you order a special election to fill a vacancy, the order must include the filing deadline; we recommend posting the notice of the filing period as soon as practicable after a special election is ordered. Note that an application for a place on the ballot for a special election may not be filed before the election is ordered. (Sec. 201.054).

NOTE-NEW LAW: HB 3107 (2021, R.S.) requires the authority with whom an application for a place on the ballot is filed to designate an e-mail address in the notice required by Section 141.040 of the Code for the purpose of filing an application for a place on the ballot. (Sec. 141.040).

Most elective offices now require that a candidate be a registered voter of the territory that the office is elected from as of the filing deadline or as of other statutory deadlines. (Sec. 141.001). For more information on the candidate voter registration requirement, see Voter Registration Requirements for Candidates.

6. Note on Joint Election Requirement for School Districts

School districts conducting trustee elections must have joint polling places on election day with either:

1. a city holding an election on the uniform election day (located wholly or partly within the school district's boundaries);
2. a public junior college district if it is having an election for members of its governing board in which the school district is wholly or partly located;
3. in limited circumstances, a hospital district; or
4. the county on the November uniform election day in even-numbered years.

For purposes of this calendar, we will continue to use separate subheads for cities and school districts when their rules are different. However, many entities will be working out joint election agreements. (Sec. 11.0581, Texas Education Code; Sec. 271.002).

The joint election requirement for school trustee elections under Section 11.0581 of the Education Code is met by complying with the requirement of using county election precincts and polling places on election day per Section 42.002 of the Election Code.

7. Note on Joint Elections Generally

Many entities will have joint elections for the November 8, 2022 election. Note that the entries in this calendar are generally written in terms of elections held individually rather than jointly. For example, counties with populations of 55,000 or more are advised about conducting 12-hour days on each weekday during the last week of early voting. However, we have long advised different entities who conduct early voting together to coordinate their early voting hours, which may result in entities other than those counties also holding early voting for 12-hour days on each
weekday during the last week of early voting. On the other hand, depending on the plan, different entities may choose to do different things separately, i.e., not holding early voting together. Not all joint election plans are alike. With a few exceptions, we do not discuss the impact of coordinating rules for a joint election, as we think this would make the calendar longer and confusing. We encourage joint election partners to read through the entire calendar, taking note of the rules affecting the partner entities and to address the differences within the agreement itself. If you have questions about how different rules apply to a particular joint election plan, please contact our office by phone or email.

8. Note on Notice of Elections

Political subdivisions other than cities and school districts may have specific statutory notice requirements. In the absence of specific statutory requirements, political subdivisions must post a notice of election, which must include the location of each polling place, on the bulletin board used for posting notices of the meetings of the governing body of the political subdivision that the authority serves, on or before the 21st day before the election. (Sec. 4.003(b)). For the Tuesday, November 8, 2022 election, this notice must be posted on or before Tuesday, October 18, 2022. The general rule is that, additionally, notice must be given using one of the following methods:

A. By posting a notice at a public place in each election precinct in which the election is to be held on or before the 21st day before the election, Tuesday, October 18, 2022. (Sec. 4.003(a)(2)).

B. By publishing the notice at least once not earlier than the 30th day or later than the 10th day before the election, Sunday, October 9, 2022 - Saturday, October 29, 2022. (Sec. 4.003(a)(1)).

C. By mailing a copy of the notice to each registered voter of the territory covered by the election, not later than the 10th day before election day, Saturday, October 29, 2022. (Sec. 4.003(a)(3)).

Note for All Political Subdivisions, Except Counties: The governing body of a political subdivision must deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is located not later than the 60th day before election day, Friday, September 9, 2022. (Sec. 4.008).

Note for Counties: Section 4.003 requires that counties post on the county website the notice and list of polling locations of any political subdivision that delivers their notice to the county under Section 4.008. This is regardless of whether the county is contracting with the entity. See Note for All Political Subdivisions above.

This notice must include:

1. The type and date of the election;
2. The location of each polling place, including the street address, room number, and building name;
3. The hours the polls will be open;
4. The location of the main early voting polling place, including the street address, room number, and building name. The notice must designate which location is the main early voting polling place;
5. The regular dates and hours for early voting by personal appearance;
6. The dates and hours of any Saturday or Sunday early voting; and
7. The early voting clerk’s official mailing address, or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address and Internet website, if available;
8. We recommend that the information regarding branch early voting locations be included as part of your notice.

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 4.004 of the Code to require the notice of election to include the Internet website of the authority conducting the election. (Sec. 4.004(a)).

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 83.010 of the Code to require an election order and the election notice to state the early voting clerk’s official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website. (Sec. 83.010).

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 85.004 of the Code to provide that an election order and election notice must designate which location is the main early voting polling place. (Sec. 85.004).
Election Advisory No. 2022-25

NOTE – ANY notice of polling locations must include more detailed information regarding the polling locations including: the polling location’s street address, any applicable suite or room number, and any applicable building name. (Sec. 1.021).

Note regarding branch early voting locations: The branch early voting locations are no longer a required part of your notice under the Texas Election Code. (Sec. 4.004).

Notice for Bond Elections: Entities holding bond elections must provide additional notice per Section 4.003(f). A debt obligation order under Section 3.009 must be posted:

1. On election day and during early voting by personal appearance, in a prominent location at each polling place;
2. Not later than the 21st day before the election, in three public places in the boundaries of the political subdivision holding the election; and
3. During the 21 days before the election, on the political subdivision's Internet website, prominently and together with the notice of the election, the contents of the proposition, and any sample ballot prepared for the election, if the political subdivision maintains an Internet website.

The same requirements apply to the voter information document required by Government Code Section 1251.052(b) (see law for full contents of notice). The requirement referenced in Section 1251.052(b) of the Government Code applies to a political subdivision with at least 250 registered voters on the date the governing body of the political subdivision adopts the debt obligation election order.

Note for Counties for the General Election for State and County Officers: Counties are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1). Counties must also post a copy of the notice on the governmental bulletin board used for posting notice of public meetings no later than the 21st day before election day, Tuesday, October 18, 2022. (Sec. 4.003(b)).

Note for Cities and School Districts: Cities and school districts are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1)(See B, above) and may also give any additional notice. If a county maintains a website, the county must post any notice provided to the county by a political subdivision conducting an election in the county to the county’s website no later than the 21st day before election day, Tuesday, October 18, 2022. (Sec. 4.003(b)). If the county does not maintain a website, school districts and cities must also post a copy of the notice on the governmental bulletin board used for posting notice of public meetings no later than the 21st day before election day, Tuesday, October 18, 2022. (Sec. 4.003(b)).

Note for Home-Rule Charter Cities: Home-rule cities MUST also give notice as provided in their charters.
Notice for Political Subdivisions, Except Counties, School Districts, and Cities: Political subdivisions other than counties, school districts, and cities may have specific statutory election notice requirements either in their enabling acts or in the code governing them (such as the Water Code). If a county maintains a website, the county must post any notice provided to the county by a political subdivision conducting an election in the county to the county’s website no later than the 21st day before election day, Tuesday, October 18, 2022. (Sec. 4.003(b)). (Sec. 4.003(b)).

Notice of Nearest Polling Places in Countywide Election: EACH countywide polling place must post a notice, at that location, of the four nearest locations, by driving distance. (Sec. 43.007(o)). Notice of Four Nearest Countywide Polling Place Locations (PDF)

9. Note on Regular Days and Hours for Voting

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Section 85.005 to modify the required days and hours for early voting by personal appearance at the main early voting location.

Counties: For elections in which the county is serving as the early voting clerk, early voting must be conducted at the main early voting location on each weekday that is not a legal state holiday for a period of at least nine (9) hours. Voting may not be conducted earlier than 6:00 AM or later than 10:00 PM.

Political Subdivisions Other Than Counties: For all other elections in which the county is NOT the early voting clerk, early voting must be conducted at the main early voting location on each weekday that is not a legal state holiday for a period of at least nine (9) hours unless the territory has fewer than 1,000 registered voters. For territories with fewer than 1,000 registered voters, voting shall be conducted for at least four (4) hours each day. (Sec. 85.005(b)).

NOTE for Cities: SB 1 (2021, 2nd C.S.) amended Section 85.005(d) to remove the provision that required cities to choose two weekdays for the main early voting polling place location to be open for at least 12 hours during the regular early voting period. (Sec. 85.005).

10. Note on Extended Early Voting Hours and Temporary Branch Locations

Extended Early Voting Hours

In an election where the county election official is the early voting clerk, the early voting clerk may order early voting on a Saturday or Sunday, and determine the hours for such Saturday or Sunday early voting. This must be done by written order. (Secs. 85.003(b), 85.006(c)). Notice of Saturday or Sunday early voting must be posted continuously for at least 72 hours immediately preceding the first hour that voting will be conducted. (Sec. 85.007(c)). The notice shall be posted on the bulletin board used for posting notice of meetings of the commissioners court. The notice must also be posted on the county’s website, if maintained. (Secs. 85.007(c), 85.007(d)).

NOTE: The election notice must be subsequently amended to include voting later ordered for ANY Saturday or Sunday and must be posted on the county’s website, if maintained. (Sec. 85.007).

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Sections 85.005 and 85.006 to modify the requirements relating to extended early voting hours and weekend early voting in a general election for state and county officers.

In a county with a population of 55,000 or more:
Election Advisory No. 2022-25

- Voting in the general election for state and county officers shall be conducted at the main early voting location for at least 12 hours on each weekday of the last week of the early voting period. Voting may not be conducted earlier than 6:00 AM or later than 10:00 PM.

In a county with a population of less than 55,000:

- Voting in the general election for state and county officers shall be conducted at the main early voting location for at least 12 hours on each weekday of the last week of the early voting period if the early voting clerk receives a written request (PDF) submitted by at least 15 registered voters of the county requesting extended weekday hours. Voting may not be conducted earlier than 6:00 AM or later than 10:00 PM. The request must be submitted in time to enable compliance with Sec. 85.007. See Notice of Extended Weekday Voting at Main Early Voting Location for County Elections (PDF).
- On receipt of a written request submitted by at least 15 registered voters, voting shall be conducted at the main early voting location on the last Saturday of the early voting period for at least 12 hours. See Notice for Additional Early Voting on Saturday and/or Sunday (PDF).
- On receipt of a written request submitted by at least 15 registered voters, voting shall be conducted at the main early voting location on the last Sunday of the early voting period for at least six hours. Voting may not be conducted earlier than 9:00 AM or later than 10:00 PM. The request must be submitted in time to enable compliance with Section 85.007. See Notice for Additional Early Voting on Saturday and/or Sunday (PDF).

Note for All Political Subdivisions, Except Counties: Voting on ANY Saturday or Sunday must be included in the order and notice of election. The order and notice must include the dates and hours of Saturday or Sunday voting. (Secs. 85.006, 85.007). The election notice must be posted on the political subdivision’s website, if the political subdivision maintains a website. (Sec. 85.007). The political subdivision must have early voting on Saturday or Sunday, if a written request is received from at least 15 registered voters of the political subdivision prior to the election being ordered. (Sec. 85.006(d)).

NOTE for Cities – NEW LAW: SB 1 (2021, 2nd C.S.) provides that in an election in which a city secretary is the early voting clerk, voting on any Saturday or Sunday must be included in the order and notice of election. City secretaries no longer have the authority to order Saturday or Sunday early voting 72 hours immediately preceding the first hour that voting will be conducted. However, the city must have early voting on Saturday or Sunday, if a written request (PDF) is received from at least 15 registered voters of the political subdivision prior to the election being ordered. (Secs. 85.006, 85.007). See Tex. Sec'y of State Election Advisory No. 2022-07.

Temporary Branch Locations

In the general election for state and county officers, a certain number of temporary branch locations must be established depending on the population size of the county:

1. in a county with a population of 400,000 or more, the commissioners court must establish one or more temporary polling places, other than the main early voting polling place, in each state representative district containing territory covered by the election.
2. in a county with a population of 120,000 or more but less than 400,000, the commissioners court must establish one or more temporary polling places, other than the main early voting polling place, in each commissioners precinct containing territory covered by the election.
3. in a county with a population of 100,000 or more but less than 120,000, the early voting clerk must establish one or more early voting polling places in each commissioners precinct for which the early voting clerk receives a timely filed written request by at least 15 registered voters of that precinct.
The temporary polling place(s) must remain open for each weekday of the early voting period that the main early voting polling place will be open. The temporary branch polling place(s) must be open at least eight hours each day. (Secs. 85.062, 85.064).

**NOTE – NEW LAW:** SB 1 (2021, 2nd C.S.) amended Section 85.062 to provide that the location of temporary branch polling places in an election in which countywide polling places are used must be determined with the same methodology that is used for the location of countywide polling places.

**NOTE – NEW LAW:** HB 3107 (2021, R.S.) amended Section 85.064 and created Section 85.065 to modify the required dates and hours for temporary branch locations based on the population size of the county. 

**Note:** In a countywide election, the total number of permanent branch polling places and temporary branch polling places open for voting at the same time in a commissioners precinct may not exceed twice the number of permanent branch and temporary branch polling places open at that time in another commissioners precinct. (Sec. 85.062(f)).

Effective September 1, 2021, the rules for temporary branch locations are different for counties with a population of 100,000 or more.

**Note for Counties with a Population of 100,000 or More and Political Subdivisions Situated in Such a County:** Early voting at any temporary branch polling place MUST be conducted on the same days that voting is required to be conducted at the main early voting polling place under Section 85.005 of the Code and MUST remain open for at least eight hours each day. For certain political subdivisions, this will require your temporary branch locations to be open on every weekday of the early voting period, for at least eight hours on each of those days. Early voting must be conducted for at least 12 hours on the last Saturday and at least 6 hours on the last Sunday of the early voting period at the mandatory temporary branch locations established under Section 85.062(d). In addition, the authority authorized under Section 85.006 to order early voting on a Saturday or Sunday may also order, in the manner prescribed by that section, early voting to be conducted on a Saturday or Sunday at any one or more of the temporary branch polling places. This only applies to an election in which the territory served by the early voting clerk is situated in a county with a population of 100,000 or more. In an election in which the territory served by the early voting clerk is situated in more than one county, this section applies if the sum of the populations of the counties is 100,000 or more. (Secs. 85.005, 85.064).

**NOTE – NEW LAW:** HB 3107 (2021, R.S.) amended Section 85.068 of the Code to provide that if the early voting clerk is a county election officer, the clerk must post notice (PDF) for each election stating any dates and the hours that voting on Saturday or Sunday will be conducted under Sections 85.064(d) or 85.065(b). (Sec. 85.068).

**NOTE for political subdivisions other than city or county** – If the city or county election officer does not serve as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters, the temporary branch polling place(s) must be open for at least three hours each day that voting is required to be conducted at the main early voting polling place under Section 85.005 of the Code. This applies if the territory served by the early voting clerk is in a county with a population of 100,000 or more. In an election in which the territory served by the early voting clerk is situated in more than one county, this also applies if the sum of the populations of the counties is 100,000 or more. (Secs. 85.005, 85.064).

**NOTE - NEW LAW:** HB 3107 (2021, R.S.) amended Section 85.064 of the Code to provide that the section only applies to an election in which the territory served by the early voting clerk is situated in a county with a population of 100,000 or more. In an election in which the territory served by the clerk is situated in more than one county, this section applies if the sum of the populations of the counties is 100,000 or more. (Sec. 85.064).

**NOTE - NEW LAW:** HB 3107 (2021, R.S.) amended Section 85.068 of the Code to provide that if the early voting clerk is a county election officer or city secretary, the clerk must post notice (PDF) for each election stating any dates and the hours that voting on Saturday or Sunday will be conducted under Sections 85.064(d) or 85.065(b). (Sec. 85.068).
Note for Counties with a Population of Less than 100,000 and Political Subdivisions Situated in Such a County: Early voting at any temporary branch polling place may be conducted on any days and during any hours of the period for early voting by personal appearance, as determined by the authority establishing the branch. However, voting at a temporary branch polling place must be conducted on at least two consecutive business days and for at least eight consecutive hours on each of those days. The authority authorized under Section 85.006 of the Code to order early voting on a Saturday or Sunday may also order, in the manner prescribed by that section, early voting to be conducted on a Saturday or Sunday at any one or more of the temporary branch polling places. The schedules for conducting voting are not required to be uniform among the temporary branch polling places. (Sec. 85.065). This applies only to an election in which the territory served by the early voting clerk is situated in a county with a population under 100,000. In an election in which the territory served by the early voting clerk is situated in more than one county, this applies if the sum of the populations of the counties is under 100,000. (Sec. 85.065).

NOTE - NEW LAW: HB 3107 (2021, R.S.) added Section 85.065 of the Code to modify the requirements regarding the days and hours for early voting by personal appearance at any temporary branch polling place if the territory served by the early voting clerk is situated in a county with a population under 100,000 or if the territory served by the early voting clerk is situated in more than one county and the sum of the populations of the counties is under 100,000. (Sec. 85.065).

NOTE - NEW LAW: HB 3107 (2021, R.S.) amended Section 85.068 of the Code to provide that if the early voting clerk is a county election officer or city secretary, the clerk must post notice (PDF) for each election stating any dates and the hours that voting on Saturday or Sunday will be conducted under Sections 85.064(d) or 85.066(b). (Sec. 85.068).

NOTE: There is no petition process to require weekend early voting at temporary branch locations in counties with a population of less than 100,000. However, the authority authorized under Section 85.006 to order early voting on a Saturday or Sunday may also order, in the manner prescribed by that section, early voting to be conducted on a Saturday or Sunday at any one or more of the temporary branch polling places.

NOTE for Cities—NEW LAW: SB 1 (2021, 2nd C.S.) provides that in an election in which a city secretary is the early voting clerk, voting on any Saturday or Sunday must be included in the order and notice of election. City secretaries no longer have the authority to order Saturday or Sunday early voting 72 hours immediately preceding the first hour that voting will be conducted. However, the city must have early voting on Saturday or Sunday, if a written request (PDF) is received from at least 15 registered voters of the political subdivision prior to the election being ordered. (Secs. 85.066, 85.007).

NOTE for Cities: If a city is contracting for election services with a county or is holding a joint election with the county, the city must amend their order and notice of election to include any weekend early voting that the county is conducting.

11. Note on Notice of Previous Polling Place

If a different polling place is being used from the previous election held by the same authority, a Notice of Change to Polling Place (PDF) must be posted at the entrance of the previous polling place informing voters of the current polling place location, if possible. (Sec. 43.062).

12. Note on Notice of Change of Polling Place Location

For elections ordered by the Governor or county judge only, if the location of the polling place changes after notice has been given under Section 4.003 of the Texas Election Code, and the county election officer maintains a website to inform voters about elections, the notice of the change must be posted on the website. The notice on the website must be posted not later than the earlier of (1) 24 hours after the location was changed; or (2) 72 hours before the polls open on election day. (Sec. 43.061). If the county election officer is conducting a legislative vacancy election, the candidates listed on the ballot are entitled to receive notice directly from the county judge. As a reminder, notice should also be provided to the Secretary of State regarding any changes made to the location of polling places. Notice of Change to Polling Place (PDF)
13. Note on Testing Tabulating and Electronic Voting Equipment

Ballot Testing:

Once all candidate filing deadlines have passed, we recommend that you proof and test your ballot programming as soon as possible. Early testing will allow adequate time to locate any errors and make any necessary corrections in ballot programming. **We also strongly suggest that you have candidates proof their names and offices before finalizing the ballot to avoid the necessity for last-minute ballot corrections.**

Logic and Accuracy Test:

We recommend establishing a date to perform the test of your electronic voting equipment (L&A, or Logic and Accuracy Test) as soon as possible. We recommend that this test be performed on a date that allows time to correct programming and retest, if necessary. A notice of this test must be published by the custodian of the electronic voting equipment at least 48 hours before the date of the test. (Sec. 129.023; Tex. Sec’y of State Election Advisory No. 2019-23). The L&A test must be conducted not later than 48 hours before voting begins on a voting system. (Sec. 129.023).

**NOTE – NEW LAW:** SB 1 (2021, 2nd C.S.) provides that for the general election for state and county officers, the general custodian of election records must notify each member of the county election board of the test at least 48 hours before the date of the test. If the county election board chooses to witness the test, each member shall sign a statement attesting to the qualifications of each direct recording electronic voting machine that was successfully tested; any problems discovered; and the cause of any problem if it can be identified. (Secs. 129.023(b-2), 129.023(e)(1)).

**NOTE – NEW LAW:** SB 1 (2021, 2nd C.S.) requires the general custodian of election records to perform a hash validation to demonstrate, using a representative sample of voting system equipment, that the source code of the equipment has not been altered. (Sec. 129.023(c-1)).

Testing Tabulating Equipment:

The automatic tabulating equipment used for counting ballots at a central counting station must be tested three times for each election. (Ch. 127, Subch. D). We recommend you test the equipment as soon as possible; early testing will allow adequate time to locate any errors and make any necessary corrections in programming. However, the first test **must be conducted at least 48 hours before** the automatic tabulating equipment is used to count ballots voted in the election. The second test shall be conducted immediately before the counting of ballots with the equipment begins. The third test must be conducted immediately after the counting of ballots with the equipment is completed. Please note that the custodian of the automatic tabulating equipment must publish notice of the date, hour, and place of the first test in a newspaper at least 48 hours before the date of the test. (Sec. 127.090). The electronic files created from the L&A testing are what must be used for testing the tabulating equipment. (Tex. Sec’y of State Election Advisory No. 2019-23).

Precinct tabulators must also be tested in accordance with the procedures set forth in Chapter 127, Subchapter D of the Texas Election Code to the extent those procedures can be made applicable. (Sec. 127.152; Tex. Sec’y of State Election Advisory No. 2015-23).

Our recommendation is that both L&A testing and testing of the automatic tabulating equipment take place prior to ballots by mail being sent out. However, should there be a reason to delay testing, please be advised that L&A testing must be conducted at least 48 hours before voting begins on a voting system. This means that L&A testing should be completed before early voting and possibly, before election day, if your election day system is different than your early voting system. Additionally, the automatic tabulating equipment may not be used to count ballots voted in the election until a test is successful. (See Chapters 127 and 129, Election Code.)

For more information on testing tabulating equipment used at the central counting station, please see Chapter 127, Subchapter D of the Election Code and Tex. Sec’y of State Election Advisory No. 2019-23. See Chapter 129, Subchapter B of the Election Code and Tex. Sec’y of State Election Advisory No. 2019-23 for other types of testing.
such as functionality tests, logic and accuracy tests, tests for central accumulators, etc. Please see Tex. Sec'y of State Election Advisory No. 2019-23 for additional information regarding voting system equipment access, security and preservation, and chain of custody.

14. Note on Accepting Voters with Certain Disabilities

An election officer may accept a person with a mobility problem that substantially impairs a person’s ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived before the person. “Mobility problem that substantially impairs a person’s ability to ambulate” has the meaning assigned by Section 681.001, Transportation Code. A person assisting an individual with a mobility problem may also, at the individual’s request, be given voting order priority. Notice of the priority given to persons with a mobility problem that substantially impairs a person’s ability to ambulate shall be posted:

1. at one or more locations in each polling place where it can be read by persons waiting to vote;
2. on the website of the Secretary of State; and
3. on each website relating to elections maintained by a county. (Sec. 63.0015).

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) provides that a qualified individual with a disability may request a reasonable accommodation or modification to any election standard, practice, or procedure mandated by law or rule that the individual is entitled to request under federal or state law. (Sec. 1.022).

The voting order priority notice required under Section 63.0015 must read as follows:

"Pursuant to Section 63.0015, Election Code, an election officer may give voting order priority to individuals with a mobility problem that substantially impairs the person’s ability to move around. A person assisting an individual with a mobility problem may also, at the individual’s request, be given voting order priority. Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritis, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, use of a brace, cane, crutch, or other assistive device."

The recommended time to include the voting order priority notice on a county website is when the Notice of Election is also posted on the website. (Sec. 85.007(d)). See Notice regarding Notice of Elections.

Cities, Schools, and Other Political Subdivisions: It is strongly recommended that the notice regarding accepting voters with certain disabilities also be posted on the subdivision’s website, if one is maintained by the political subdivision.

If a voter is physically unable to enter the polling place without assistance or likelihood of injury to his or her health, an election officer shall deliver a ballot or voting machine to the voter at the entrance or curb of the polling place on the voter’s request. On the voter’s request, a person accompanying the voter to the polling place must be permitted to select the voter’s ballot and to deposit the ballot in the ballot box after the voter has voted. (Sec. 64.009).

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) provides that a person who simultaneously assists seven or more curbside voters by providing the voters transportation to the polling place must complete and sign a form, provided by an election officer, that contains the person’s name and address and whether the person is providing assistance solely under Section 64.009 or if the person is providing additional assistance to the voter under Chapter 64, Subchapter B. Completed forms shall be delivered to the SOS as soon as practicable. The SOS shall retain a form delivered under Section 64.009 for the period for preserving the precinct election records and shall make the form available to the attorney general for inspection upon request. This provision does not apply if the person assisting is related to each voter within the second degree by affinity (marriage) or the third degree by consanguinity (blood).

15. Note on Law Regarding Faxed or Emailed ABBMs and Faxed FPCAs

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk receives the original no later than the 4th business
day after receiving the emailed or faxed ABBM or faxed FPCA. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The early voting clerk should retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the Voter Registrar for registration purposes. (Sec. 84.007).

If a voter faxes or emails the ABBM or faxes the FPCA, the date the early voting clerk receives the fax or email is considered the date of submission. Essentially, the faxed or emailed form serves as a place-holder for the voter. Therefore, a voter whose application was faxed or emailed by the 11th day before election day (the deadline), and whose original application is received on or before the 4th business day after that date, would still be entitled to receive a ballot for the election (if otherwise eligible). The early voting clerk will have to hold the faxed or emailed ABBM or faxed FPCA until the clerk receives the original, and would only send the voter a ballot if the original is received by the 4th business day after the faxed or emailed ABBM or faxed FPCA was received. See Tex. Sec'y of State Election Advisory No. 2018-02.

The requirement to mail the original application does not apply to an emailed FPCA, but does apply to a faxed FPCA.

NOTE – NEW LAW: HB 3107 (2021, R.S.) amended Section 101.001 of the Code regarding FPCAs. Effective September 1, 2021, a member of the Texas National Guard or the National Guard of another state or a member of a reserve component of the armed forces of the United States serving on active duty under an order of the President of the United States or activated on state orders, or the spouse or dependent of a member, may submit an FPCA. (Sec. 101.001).

NOTE – NEW LAW: HB 3107 (2021, R.S.) amended Section 101.052 of the Code regarding FPCAs. Effective September 1, 2021, an FPCA may be submitted by in-person delivery by the voter in accordance with Section 84.008 of the Code or by common or contract carrier. (Sec. 101.052).

NOTE – NEW LAW: HB 3107 (2021, R.S.) amended Section 84.008 of the Code to provide that an applicant for a ballot to be voted by mail may submit the application by delivering it in person to the early voting clerk if the application is submitted not later than the deadline provided by Section 84.007(c) of the Code. This means that voters may now personally deliver their ABBM or FPCA to the early voting clerk not later than the close of regular business in the early voting clerk’s office or 12 noon, whichever is later, on the 11th day before election day (unless that day is a Saturday, Sunday, or legal state or national holiday, in which case the last day is the first preceding regular business day). (Sec. 84.008).

16. Note on Opportunity to Correct Defects in Mail Ballots

NEW LAW: Pursuant to SB 1 (2021, 2nd C.S.), effective December 2, 2021, the early voting ballot board, or signature verification committee (if one is appointed), will need to provide voters voting a ballot by mail the opportunity to correct certain defects in the voter’s carrier envelope containing the voter’s ballot.

Early Voting Clerk: Section 86.011(d) provides a procedure by which a voter can correct certain defects in the carrier envelope containing their voted ballot. If an early voting clerk receives a timely carrier envelope that does not comply with the applicable requirements of the Code, the early voting clerk may deliver the carrier envelope in person or by mail to the voter so that the voter may correct the defect. Additionally, the early voting clerk may notify the voter of the defect by phone and advise the voter that they may come to the early voting clerk’s office to correct the defect or cancel their Application for Ballot By Mail and vote in person. The early voting clerk may utilize this provision for defects such as a missing signature by the voter, a partially completed witness or assistant box (if applicable), or a ballot that is not returned in a carrier envelope. If an early voting clerk chooses to notify voters of defects in their carrier envelope under Section 86.011(d), the clerk must apply these procedures uniformly to all voters in similar circumstances. Additionally, the SOS recommends keeping a log to track the ballots mailed to voters and the ballots in possession of the early voting clerk before ballots are delivered to the signature verification committee or early voting ballot board. If the early voting clerk notifies a voter of a defect in their carrier envelope by mail, the clerk should include a letter explaining the actions that the voter needs to take to correct and return the carrier envelope.
Early Voting Ballot Board: Section 87.0411 provides a procedure by which a voter can correct certain defects in their carrier envelope containing their voted ballot. Not later than the second business day after an early voting ballot board discovers the defect and before the board decides whether to accept or reject a timely delivered ballot under Section 87.041, the board shall: (1) determine if it would be possible for the voter to correct the defect and return the carrier envelope before the time the polls are required to close on election day; and (2) return the carrier envelope to the voter by mail. If the board determines that it would be possible for the voter to correct the defect and return the carrier envelope before the time the polls are required to close on election day. If the board determines that it would not be possible for the voter to correct the defect and return the carrier envelope before the time the polls are required to close on election day, the board may notify the voter of the defect by phone or email and inform the voter that the voter may cancel their mail ballot in accordance with Section 84.032 or come to the early voting clerk’s office in person not later than the sixth day after election day to correct the defect. If the ballot board takes one of the actions described above, the board must take that action with respect to each ballot in the election that to which these options apply. Poll watchers are entitled to observe these activities by the early voting ballot board.

Signature Verification Committee (if appointed): Section 87.0271 provides a procedure by which a voter can correct certain defects in their carrier envelope containing their voted ballot. Not later than the second business day after a signature verification committee discovers the defect and before the committee decides whether to accept or reject a timely delivered ballot under Section 87.027, the committee shall: (1) determine if it would be possible for the voter to correct the defect and return the carrier envelope before the time the polls are required to close on election day; and (2) return the carrier envelope to the voter by mail. If the committee determines that it would be possible for the voter to correct the defect and return the carrier envelope before the time the polls are required to close on election day. If the committee determines that it would not be possible for the voter to correct the defect and return the carrier envelope before the time the polls are required to close on election day, the signature verification committee may notify the voter of the defect by phone or email and inform the voter that the voter may cancel their mail ballot in accordance with Section 84.032 or come to the early voting clerk’s office in person not later than the sixth day after election day to correct the defect. If the signature verification committee takes one of the actions described above, the committee must take that action with respect to each ballot in the election to which these options apply. Poll watchers are entitled to observe these activities by the signature verification committee.

For more information on the corrective action procedures, please see Tex. Sec'y of State Election Advisory No. 2022-08 and Tex. Sec'y of State Election Advisory No. 2022-12.

17. Note on Reconciliation Forms

NEW LAW: Pursuant to SB 1 (2021, 2nd C.S.), effective December 2, 2021, the presiding judge of the central counting station must prepare a preliminary reconciliation form on election night and a final reconciliation form after the canvass. The reconciliation form requirement only applies to entities that conducted voting in such a manner that they had a central counting station. The reconciliation forms must be posted on the county website with election returns and results after they are completed and signed. This posting requirement applies regardless of whether a local entity is contracting with the county for election services. We recommend that local entities post the reconciliation form on their website, if the entity maintains a website. We further recommend that the reconciliation forms remain posted at least until the next election, and that the forms are available for the full 22 month retention period for election records. An entity may choose to make older reconciliation forms available as part of historical results on its website.

NOTE: Cities, Schools, and Other Political Subdivisions: At least part of the candidate filing period will occur during the summer break for school districts. Additionally, there are political subdivisions that do not have office hours on all days of the business week (Monday through Friday) or do not have an office that is open for eight hours each day of the business week. The Elections Division recommends that political subdivisions take steps to have someone available for a few hours most days during the candidate filing period to accept filings, and that political subdivisions post a schedule on their websites and on the bulletin boards where notices of meetings are posted of the days and times when someone will be available to accept filings. The Elections Division also strongly recommends having someone available at the place of business on the filing deadline, especially from 2:00 p.m. to 5:00 p.m., if you are otherwise closed. This guideline is based on the office-hour rule under Section 31.122 of the Election Code. Although a political subdivision may accept applications by mail and fax, without a person there at the office, the political subdivision will not be able to determine which applications were timely filed by 5:00 p.m.

NOTE - NEW LAW: HB 3107 (2021, R.S.) amended Sections 143.004 and 144.003 of the Code to provide that candidate applications, other than those that must be accompanied by a filing fee, may be filed via email. The application must be a scanned copy of the candidate application and must be sent to the filing authority's designated email address for accepting applications. (Secs. 143.004, 144.003).

Sunday, July 31, 2022 (last day “before August”)  

In a county with a population of **500,000 or less**, deadline for party chairs to submit to county commissioners court list of eligible persons for precinct presiding election and alternate presiding judges for appointments, as well as for presiding and alternate presiding judges of central counting station for appointments for the November General Election for state and county officers. (Secs. 32.002(a)(2), (c), 127.005(e)).

Recommended date that party chairs in a county with a population of **500,000 or less** submit to the county election board a list of names of eligible persons to serve on the early voting ballot board for the November General Election for state and county officers. (Sec. 87.002(c), (d)). **NOTE: This is not a deadline; just a recommendation.**

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Section 87.002 to require the early voting ballot board to have an alternate judge. The alternate judge is appointed in the same manner as the presiding judge.

NOTE: A signature verification committee may be appointed at a later date. (Sec. 87.027).

For more information on the appointment procedures for election workers, see [Tex. Sec'y of State Election Advisory No. 2021-7](#).

Recommended date that county election officials and local political subdivisions meet to discuss conducting elections at the same polling locations pursuant to Sections 42.002 & 42.0621. **NOTE: This is not a deadline; just a recommendation.**

**August**

Monday, August 1, 2022 – Monday, October 3, 2022

Recommended timeframe for the county election board in a county with a population of **500,000 or less** to appoint the members to the early voting ballot board for the November General Election for state and county officers. (Sec. 87.002(c), (d)). Section 87.002(c) of the Election Code does not provide a deadline for the county election board to make such appointments. **NOTE: This is not a deadline; just a recommendation. October 3 is the recommended deadline because of various notice requirements.**
Recommended date that commissioners court in a county with a population of 500,000 or less appoint central counting station manager, tabulation supervisor, and assistants to the tabulation supervisor if it has established a central counting station. (Secs. 127.001, 127.002, 127.003, 127.004). NOTE: This is not a deadline; just a recommendation.

Friday, August 19, 2022 (81st day before Election Day, day before 2nd day before filing deadline)

Political Subdivisions Other Than Counties: If a candidate dies on or before this date, his or her name is not placed on the ballot, if the filing deadline is Monday, August 22, 2022. (Sec. 145.094(a)(1)).

NOTE: Section 145.098 states if a candidate dies on or before the deadline for filing an application for a place on the ballot, the authority responsible for preparing the ballots MAY choose to omit the candidate. If the authority does choose to omit the candidate’s name from the ballot due to the candidate’s death after August 19, 2022, the deadline for filing an application for a place on the ballot is extended to the fifth day after the filing deadline, Saturday, August 27, 2022. This extended deadline only applies to the regular filing deadline. It DOES NOT apply to the write-in deadline.

NOTE: Because the extended deadline for filing an application for a place on the ballot falls on a weekend (Saturday, August 27, 2022), it is extended to the next regular business day, Monday, August 29, 2022. (Sec. 1.006). If the deadline is extended, the Notice of Candidate Filing period will need to be updated.

Monday, August 22, 2022 (78th day before Election Day)

Counties: 5:00 p.m. — Deadline to file as a write-in candidate for the November General Election for state and county officers. (Sec. 146.025(a)). A declaration of write-in candidacy filed by mail is considered to be filed at the time of its receipt by the appropriate authority. (Sec. 146.025(c)). See Write-In Candidates Guide.

Exception: If a candidate whose name is to appear on the general election ballot dies or is declared ineligible after the third day before the date of the filing deadline above, a declaration of write-in candidacy for the office sought by the deceased or ineligible candidate may be filed not later than 5:00 p.m. of the 75th day before election day. (Sec. 146.025(b)).

Political Subdivisions Other Than Counties: 5:00 p.m. — Last day for a candidate in a political subdivision (other than a county) to file an application for a place on the ballot for general election for officers for most political subdivisions, except as otherwise provided by the Texas Election Code. The following forms may be used:

- Order of Special Election for Municipalities (PDF)
- Order of Special Election for Other Political Subdivisions (Including Schools) (PDF)

NOTE-NEW LAW: HB 4555 (2021, R.S.) amended Sections 141.031 and 141.039 of the Code by modifying the application requirements related to a candidate’s final felony conviction status and what must be included on the candidate application. Specifically, candidates will need to provide an indication on their candidate application that the candidate has either not been finally convicted of a felony, or if so convicted, has been pardoned or otherwise released from the resulting disabilities. A person who has been convicted of a felony will need to include in the application proof that the person has been pardoned or otherwise released from the resulting disabilities. The application form must include a statement informing candidates of the requirement to submit this information. Further, the official application form will need to include a statement informing candidates that knowingly providing false information on their application related to their final felony conviction status is a Class B misdemeanor. (Secs. 141.031, 141.039).

NOTE - School Districts: In addition to the general felony rule at Election Code Sec. 141.001 (finally convicted), a candidate for school board must not have been convicted (finally convicted or otherwise) of specific crimes under the Education Code in time to serve. (Sec. 11.066, Education Code).

- Order of Election for the November General Election (for County & Precinct Officers) (PDF)
- Order of Special Election for County-Ordered Measure Elections (PDF)

The order must include:

1. The date of the election;
2. The offices or measures to be voted on;
3. The location of the main early voting polling place, including the street address, room number, and building name. The order must designate which location is the main early voting polling place;
4. (Recommended) Branch early voting polling places (see Note 8, above);
5. The dates and hours for early voting (recommended for counties and cities, but required for all other entities);
6. The dates and hours of any Saturday and Sunday early voting (if applicable, it is recommended that this information be included in the order for counties, but it must be included for all other entities); and
7. The early voting clerk’s official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website.

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 83.010 of the Code to require an election order and the election notice to state the early voting clerk’s official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website. (Sec. 83.010).

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 85.004 of the Code to provide that an election order and election notice must designate which location is the main early voting polling place. (Sec. 85.004).

7. the aggregate amount of the outstanding principal of the political subdivision’s debt obligations as of the date the election is ordered;
8. the aggregate amount of the outstanding interest on debt obligations of the political subdivision as of the date the election is ordered, which may be based on the political subdivision’s expectations relative to variable rate debt obligations; and
9. the ad valorem debt service tax rate for the political subdivision at the time the election is ordered, expressed as an amount per $100 valuation of taxable property.

Recommended date to order the lists of registered voters from the county voter registrar. The list should include both the voters’ residences and mailing addresses in order to conduct early voting by mail. (Sec. 18.006). The political subdivision should confirm that the most recent maps or boundary changes have been provided to the voter registrar.

Recommended date to confirm telephone number for the county voter registrar’s office on election day.

Recommended date to order election supplies, other than ballots. (Subchapter A, Chapter 51).

Political Subdivisions Other Than Counties: Recommended date to appoint presiding and alternate judges. Currently, the Election Code does not establish a deadline for appointing election officials; there is only a notification deadline. For further information concerning procedures for appointing judges and their alternates see Sections 32.005, 32.008, and 32.011. General eligibility requirements are found in Subchapter C, Chapter 32. In addition to appointing a judge and alternate judge for each election precinct pursuant to Sections 32.001 and 32.005, the governing body must allow the judge to appoint no less than two clerks; however, the alternate judge must serve as one of the clerks as a matter of law. (Secs. 32.032, 32.033). The presiding judge then appoints an additional clerk(s), but not more than the maximum set by the governing body. (Sec. 32.033). Presiding judges and their alternates must be given a Notice of Appointment (PDF) not later than the 20th day after the appointment is made. (Sec. 32.009). If the appointment is for a single election, the notice may be combined with the Writ of Election (PDF), which is required to be delivered to each presiding judge not later than the 15th day before the election, Monday, October 24, 2022. (Secs. 4.007, 32.006(e)). If the notices are combined, both must be delivered by the date required by the earlier notice.

NOTE: If you are conducting a joint election with the county, please be advised that the Election Code places many requirements on the method of selecting people who must be appointed by the county to work in the November General Election for state and county officers. See Sections 32.002 and 32.034, Election Code.

NOTE - Water Districts: A water district is not required to provide a Notice of Appointment to a presiding judge, as required under Section 32.009, but must provide a Writ of Election (PDF). (Sec. 4.007, Election Code; Sec. 49.110, Water Code).

Recommended date to appoint the presiding judge of the early voting ballot board and alternate presiding judge or to designate the election workers of one election precinct to serve as the early voting ballot board. (Secs. 87.001, 87.002, 87.004). There is no statutory notice requirement for members of the early voting ballot board, but good practice suggests that written notice be given to them.

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Section 87.002 to require the early voting ballot board to have an alternate judge. The alternate judge is appointed in the same manner as the presiding judge.
**Recommended** date to appoint the central counting station personnel (manager, tabulation supervisor and assistants to the tabulation supervisor) if applicable. (Secs. 127.002, 127.003, 127.004, 127.005). There is no statutory notice requirement for members of the central counting station, but good practice suggests that written notice be given to them.

**Recommended** date that local political subdivisions and county election officials meet to discuss contracting for election services or holding a joint election. **NOTE:** This is not a deadline; just a recommendation.

**Political Subdivisions Other Than Counties and Legislative Vacancies (if any):** 6:00 p.m. — Last day to file an application for a place on the ballot or a Declaration of Write-In Candidacy in a special election to fill a vacancy to be held on the date of the November General Election for state and county officers. (Sec. 201.054(f), (g)) **Note:** For future reference, please note that this deadline is not the same for elections held on the May uniform election date or on the November uniform election date in an odd-numbered year.

The authority conducting the ballot position drawing shall provide notice of the date, hour, and place of the drawing to candidates by this date if the drawing is to be conducted on Monday, August 29, 2022, as recommended. (Sec. 52.094(d)). If a candidate in a special election files on this date, they should be given a copy of the notice at the time they file.

**NOTE-NEW LAW:** Effective September 1, 2021, HB 3107 (2021, R.S.) amended Section 52.094 of the Code to require the authority conducting the drawing to provide notice of the date, hour, and place of the drawing to each candidate by: 1) written notice that is mailed to the address stated on the candidate's application not later than the fourth day before the date of the drawing; or 2) provided at the time the candidate files an application with the appropriate authority. If notice was not provided at the time the candidate filed an application, the notice may be provided by telephone, if a telephone number is provided on the candidate's application or by e-mail, if an e-mail address was provided on the candidate's application. (Sec. 52.094).

**Friday, August 26, 2022 (74th day before Election Day)**

**Counties:** Deadline for a party nominee or independent candidate in the November General Election for state and county officers to withdraw from the election. (Secs. 145.032, 145.062).

**Counties:** Last day on which death, declaration of ineligibility, or withdrawal of a party nominee or an independent candidate for the November General Election for state and county officers causes an omission of the candidate's name from the ballot. (Secs. 145.035, 145.039, 145.064, 145.065). For certain exceptions regarding deceased candidates, please see Section 145.064(b)).

**Note:** Withdrawal request submitted by mail must be received by appropriate authority by this date. (Sec. 145.001(c)). A withdrawal request must also be sworn, and candidates may use the Certificate of Withdrawal (PDF). (Sec. 145.001(b)).

If a vacancy occurs on or before this date in a state, district, or county office not regularly scheduled for election in 2022, due to death, resignation, or removal of the officer holder, the unexpired term of the office shall be placed on the November 8, 2022 election ballot. (Sec. 202.002(a)). An appointment to fill the vacancy continues until the next succeeding general election and until a successor has been elected and has qualified for the office. Also, depending on the effective date of the vacancy, the office may also be voted on in the next succeeding primary election. (Secs. 202.002(b), 202.004). See Tex. Sec'y of State Election Advisory No. 2021-19.

**Political Subdivisions Other Than Counties:** 5:00 p.m. — Deadlines for write-in candidates to file Declaration of Write-In Candidacy for regular officers for city, school district, library district, junior college district, hospital district, common school districts, Chapter 36 and 49 Water Code districts, and other political subdivision elections, unless otherwise provided by law. (Secs. 144.006(b), 146.054(b), 146.055, Election Code; Secs. 11.056, 11.304, 130.0825, Education Code; Secs. 326.0431, 326.0432, Local Government Code; Sec. 285.131, Health and Safety Code; Secs. 36.059, 49.101, 63.0945, Water Code). See Candidacy Filing outline for more details.
NOTE: An application submitted by mail is considered to be filed at the time of its receipt by the appropriate filing authority. (Secs. 143.007(b), 144.005(b)).

Political Subdivisions Other Than Counties: If you plan on holding your ballot position drawing on Monday, August 29, 2022, then your Notice of Drawing for Place on Ballot (PDF) of such drawing should be posted today. The notice must be posted for 72 hours immediately preceding the time of the drawing. (Sec. 52.094(c)).

Political Subdivisions Other Than Counties: Recommended first day that a general or special election may be cancelled if all filing deadlines have passed, each candidate for an office listed on the ballot is unopposed (except as discussed below), and write-in votes may be counted only for names appearing on a list of write-in candidates. The Certification of Unopposed Candidates for Other Political Subdivisions (PDF) may be used to certify candidates as unopposed. Also, see our Sample Order of Cancellation (PDF).

A special election of a political subdivision is considered to be a separate election with a separate ballot from a general election for officers of the same political subdivision held at the same time as the special election. Therefore, the fact that there may be a proposition on the ballot will not prevent a cancellation of an election for candidates who are unopposed. (Sec. 2.051(a)). If any members of the political subdivision’s governing body are elected from territorial units, such as single member districts, an election may be cancelled in a particular territorial unit if each candidate for an office that is to appear on the ballot in that territorial unit is unopposed and no opposed at-large race is to appear on the ballot. An unopposed at-large race may be cancelled in an election regardless of whether an opposed race is to appear on the ballot in a particular territorial unit. (Sec. 2.051(b)). This recommended cancellation deadline considers a regular filing deadline of Monday, August 22, 2022, a special election filing deadline of Thursday, August 25, 2022, and a regular write-in deadline of Friday, August 26, 2022. For additional information, consult the outline on Cancellation of Election for Local Political Subdivisions.

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Sections 2.053 and 2.056 of the Texas Election Code to make this cancellation process mandatory, rather than discretionary. For additional information, consult the outline on Cancellation of Election for Local Political Subdivisions.

State and County Offices: The certifying authority must certify, in writing, that a candidate is unopposed in an election for office. The certifying authority is the secretary of state (for statewide or district offices) or the county clerk (for county and precinct offices). If an unopposed candidate is declared elected by the certifying authority, the election for that office is not held and the name of the candidate is listed on the ballot as elected to the office. Offices and names of any candidates declared elected shall be listed separately after the contested races in the election under the heading "Unopposed Candidates Declared Elected." The candidates shall be grouped according to their respective political party affiliations or status as independents in the same relative order prescribed for the ballot generally. For more information, see Tex. Secy of State Election Advisory No. 2022-16.

Monday, August 29, 2022 (71st day before Election Day)

Political Subdivisions Other Than Counties: The Elections Division recommends that you hold your ballot position drawing no later than today to determine the order of candidates’ names on the ballot (Sec. 52.094) and that you certify today to the county election officer the offices, propositions (in all necessary languages), and candidates’ names (including the order) as they are to appear on the ballot, if you are contracting to have the county conduct your election or if you are conducting a joint election with the county.

NOTE: After the ballot drawing has occurred, the Elections Division recommends that you proof and test your ballot programming as soon as possible and prior to the deadline to mail a ballot if the political subdivision will be using automatic tabulating equipment to count the mail ballots or if your mail ballots are printed from the same database used to program your precinct scanners and/or DREs (See Note 13 above). The Elections Division also recommends that you provide candidates with copies of ballot proofs so that candidates may verify the correctness of their names, positions sought, and order of names on the ballot.

NOTE: Ballot position for the November General Election for state and county officers is determined by Sections 52.091 and 52.092, Election Code.
Counties: 5:00 p.m. — Deadline for party chair to deliver replacement nominee or nominee to fill vacancy in an unexpired term to the appropriate officer (for a vacancy in an office that would not normally be on the 2022 ballot and that occurred after December 8, 2021 but not later than August 26, 2022). (Secs. 145.093, 145.037(e), 171.022, 201.022, 202.006). See Texas Secy of State Election Advisory No. 2021-19 for further information on this deadline and related procedures.

Political Subdivisions Other Than Counties: 5:00 p.m. — Last day for a candidate to withdraw from a general election, by submission of a notarized Certificate of Withdrawal (PDF) or a notarized letter, or to be declared ineligible. If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot. (Secs. 146.054(c), *45.092(f), 145.094(a)(4), 145.096(a)(4)).

Counties and Other Political Subdivisions: 5:00 p.m. — Last day to withdraw as a write-in candidate in the general election for state and county officers, or a general or special election ordered by a political subdivision other than a county. (Secs. 144.006(c), 146.0301, 146.054(c)). Candidates may use the Certificate of Withdrawal (PDF).

Tuesday, August 30, 2022 (70th day before Election Day)

Legislative Vacancies: Last day for all candidates (including write-in candidates) to withdraw from a special election to fill a legislative vacancy (if any). (Secs. 146.083, 145.092(a)).

Political Subdivisions Other Than Counties: 5:00 p.m. — Last day for a candidate to withdraw from a special election, by submission of a notarized Certificate of Withdrawal (PDF) or a notarized letter, or to be declared ineligible. If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot. (Sec. 145.092(a)).

September

Thursday, September 1, 2022 (68th day before Election Day)

Deadline for Secretary of State (federal, state and district offices) and county judge (countywide and precinct offices) to certify names of independent and declared write-in candidates to county election officer for placement on the November 8, 2022 ballot. (Secs. 142.010, 146.029(c)).

Deadline for Secretary of State to certify to county election officer names of party nominees for statewide and district offices for placement on November 8, 2022 ballot, and deadline for Secretary of State to post major party nominees for county and precinct offices. (Secs. 181.008, 172.117).

Friday, September 9, 2022 (60th day before Election Day)

Political Subdivisions Other Than Counties: Last day for the governing body of a political subdivision to deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is wholly or partly located. (Sec. 4.008).

NOTE FOR COUNTIES - Section 4.003 requires that counties post on the county website the notice and list of polling locations of any political subdivision that delivers their notice to the county under Section 4.008. This is regardless of whether the county is contracting with the entity. See Note 8 for more information on the requirements related to the Notice of Election.

NOTE-NEW LAW: HB 3107 (2021, R.S.) requires the notice of election to include the Internet website of the authority conducting the election. (Sec. 4.004(a)).

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 83.010 to require an election order and the election notice to state the early voting clerk’s official mailing address or street address at which the clerk
may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the internet website, if the early voting clerk has an internet website. (Sec. 83.010).

Recommended date for county clerk/county elections administrator to deliver an initial list of voters who have submitted annual applications for ballot by mail under Section 86.0015 and scans or photocopies of those applications to the early voting clerk of any political subdivision located within the county that is holding an election on November 8, 2022. The list should only include voters that reside in the political subdivision holding the election. The list should only be created and sent to those political subdivisions that have provided notice of the election to the county clerk/elections administrator. See also, the note below and the entry at Friday, October 28, 2022 for more information about delivery of a final list of voters. See entry at October 27, 2022 for more information on the delivery of copies/images of the applications. The county election officer should transmit copies of the applicable ABBMs and FPCAs through a secure method. This may include hand-delivering the copies, arranging for the local entity to pick up the copies, or utilizing an encrypted email or file transfer protocol. See Answer 17 in Tex. Sec'y of State Election Advisory No. 2022-08.

NOTE: Section 86.0015 requires the county clerk/elections administrator to provide a list of voters that have submitted an annual application for ballot by mail to all political subdivisions in their county holding an election. The law only applies to elections for which the county clerk/elections administrator is not the early voting clerk via a contract for election services or joint election agreement. The Election Division strongly recommends that the county and political subdivisions discuss the frequency and method for which these lists should be transmitted to ensure that ballots are sent out in a timely manner. Finally, the county clerk/elections administrator must deliver either photocopies or scanned images of the applications (under Section 87.126) to the early voting clerk of the political subdivision before the ballots by mail are delivered to the early voting board for qualifying and counting under Section 67.041.

Monday, September 12, 2022 (57th day before Election Day; 21st day after August 22, 2022)

Political Subdivisions Other Than Counties: Last day to notify election judges of their appointment if they were appointed, as recommended, on Monday, August 22, 2022. (Secs. 1.006, 32.009(b)). Presiding and alternate judges must be notified (PDF) of their appointment in writing, not later than the 20th day after the date the appointment is made. The deadline is extended to the next regular business day which is Monday, September 12, 2022 due to the 20th day falling on Sunday, September 11, 2022.

The notice of the judge’s duty to conduct the election (Writ of Election (PDF)) pursuant to Section 4.007 may be combined with the above notice, if the appointment is for a single election only. If the notices are NOT combined, then the notice of the judge’s duty to conduct the election (Writ of election) must be delivered not later than the 15th day before election day, Monday, October 24, 2022.

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 31.096 of the Code, which addresses nontransferable functions under an election services contract. Specifically, an election services contract may not change the political subdivision's requirement to maintain office hours under Section 31.122. NOTE: The 45th Day deadline under Section 86.004(b) is not extended by Section 1.006 to the next business day. The ballots covered by Section 86.004(b) should be sent out on or before Saturday, September 24, 2022.

Further, an application is considered submitted in the following calendar year if: 1) the applicant is eligible to vote in an election occurring in January or February of the next calendar year; and 2) the application is submitted in the last 60 days of a calendar year but not earlier than the 60th day before the date of the January or February election. (Sec. 101.052).
Reminder Regarding FPCAs and Overseas ABBMs: If the EV clerk receives an FPCA (from a military or non-military voter) or an ABBM from an overseas voter after the 45th day deadline, then the ballot must be mailed within seven days after the EV clerk receives the FPCA or ABBM. (Secs. 86.004(b), 101.104).

Reminder: In regards to mail ballots for other voters (not military voters using an FPCA or overseas voters using an FPCA or ABBM), the early voting clerk must mail a ballot not later than the 7th day after the later of: (1) the date the early voting clerk has accepted a voter’s application for a ballot by mail or (2) the date the ballots become available for mailing. However, if the 7th day falls earlier than the 37th day before election day, the voter’s mail ballot must be mailed no later than the 30th day before election day. (Sec. 86.004(a)). This means that for every application that is accepted by the early voting clerk before the 37th day before election day, the ballooning materials must be mailed by the 30th day before election day. Any application that comes in after the 37th day before election day will follow the 7-day timeline in Sec. 86.004.

The information posted on the website must include:

1. the date of the election;
2. the location of each polling place;
3. each candidate for an elected office on the ballot; and
4. each measure on the ballot. (Sec. 4.009).

Counties: Last day to post notice (PDF) of places, days, and hours for voting at branch early voting polling place if voting is to begin at that location on the first day of early voting in person. The schedule may be amended after the beginning of early voting by personal appearance to include notice of additional branch locations, but any amendment must be made and posted not later than the fifth day before voting begins at the additional temporary branch. (Secs. 85.062(d)(3), 85.067(c)).

Last day for a person to apply for a full ballot by mail using an FPCA, if the person is not a registered voter but meets the requirements under Title 2 of the Texas Election Code. (Secs. 101.052(e), 101.055(a)). (If the voter marks the FPCA “my intent to return is uncertain” (2019 form) or “my return is uncertain” (2017 form), the voter receives a federal-only ballot.) Postmark this date on the FPCA is proof that the applicant submitted the FPCA by this deadline. See Monday, October 24, 2022 for timeliness of an FPCA received without a postmark. (Sec. 101.052(e), (i)).

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 101.052 regarding FPCAs. Effective September 1, 2021, an FPCA may be submitted by in-person delivery by the voter in accordance with Section 84.008 of the Code or by common or contract carrier. Further, an application is considered submitted in the following calendar year if: 1) the applicant is eligible to vote in an election occurring in January or February of the next calendar year; and 2) the application is submitted in the last 60 days of a calendar year but not earlier than the 60th day before the date of the January or February election. (Sec. 101.001).

NOTE: Be sure to check the list of registered voters for permanent registration status. Also, state law authorizes an FPCA to also serve as an application for permanent registration; therefore, the person might
be permanently registered based on a prior FPCA. Even if the FPCA arrives too late for a particular election, the early voting clerk will still need to forward the original FPCA to the county voter registrar, after making a copy for your early voting clerk’s use (mailing ballots, etc.) and records unless the voter marked “my intent to return is uncertain” (2019 form) or “my return is uncertain” (2017 form), in which case it will not serve as a permanent registration. (Sec. 101.055; 1 T.A.C. § 81.40).

NOTE: Overseas (non-military) voters marking the FPCA “my intent to return is uncertain” (2019 form (PDF)), or “my return is uncertain” (2017 form (PDF)) receive a federal ballot only regardless of the date filed. (Chapter 114). In a local election (where there is no federal office on the ballot), this means there is no ballot to send the voter.

Last day to publish notice of L&A test for voting systems if test will be held on Friday, October 21, 2022, if testing has not already completed by September 21, 2022. Notice of the public L&A Test must be published at least 48 hours before the test begins. (Secs. 129.001, 129.023). See Note 13, above.

First day that a signature verification committee, if one is appointed, may begin operating. (Sec. 87.027(f)).

Thursday, October 20, 2022 – Friday, October 28, 2022 (19th day before Election Day - 11th day before Election Day)

A person submitting an FPCA (PDF) during this period who is not registered to vote is not entitled to receive a ballot for any non-federal election held on Tuesday, November 8, 2022. See entry below under October 24, 2022 (FPCA without a postmark). (Secs. 84.007, 101.052(e), (f)). The early voting clerk is required to maintain this application since it may be used for other elections.

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 101.052 regarding FCAs. Effective September 1, 2021, an FPCA may be submitted by in-person delivery by the voter in accordance with Section 84.008 of the Code or by common or contract carrier. Further, an application is considered submitted in the following calendar year if: 1) the applicant is eligible to vote in an election occurring in January or February of the next calendar year; and 2) the application is submitted in the last 60 days of a calendar year but not earlier than the 60th day before the date of the January or February election. (Sec. 101.052).

NOTE-NEW LAW: HB 3107 (2021, R.S.) amended Section 101.001 of the Code regarding FCAs. Effective September 1, 2021, a member of the Texas National Guard or the National Guard of another state or a member of a reserve component of the armed forces of the United States serving on active duty under an order of the President of the United States or activated on state orders, or the spouse or dependent of a member, may submit an FPCA. (Sec. 101.001).

NOTE: Be sure to check the list of registered voters for permanent registration status. Also, state law authorizes an FPCA to also serve as an application for permanent registration; therefore, the person might be permanently registered based on a prior FPCA. Even if the FPCA arrives too late for a particular election, the early voting clerk will still need to forward the original FPCA to the county voter registrar, after making a copy for your early voting clerk’s use (mailing ballots, etc.) and records unless the voter marked “my intent to return is uncertain” (2019 form (PDF)), or “my return is uncertain” (2017 form), in which case it will not serve as a permanent registration. (Sec. 101.055; 1 T.A.C. § 81.40).

NOTE: Overseas (non-military) voters marking the FPCA “my intent to return is uncertain” (2019 form (PDF)), or “my return is uncertain” (2017 form (PDF)) receive a federal ballot only regardless of the date filed. (Chapter 114). In a local election (where there is no federal office on the ballot), this means there is no ballot to send the voter.

Friday, October 21, 2022 (18th day before Election Day; at least 48 hours before early voting begins)

If a defective application to vote early by mail is received on or before this date, the early voting clerk must mail the applicant a new application with explanation of defects and instructions for submitting the new application. For defective applications received after this date and before the end of early voting by personal appearance, the early
voting clerk must mail only the Notice of Rejected Application for Ballot by Mail (PDF) and a statement that the voter is not entitled to vote early by mail unless he or she submits a sufficient application by the deadline, which is Friday, October 28, 2022. (Secs. 84.007(c), 86.008).

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Section 86.001 to provide that if the information required by Section 84.002(a)(1-a) included on the application does not identify the same voter identified on the applicant's voter registration application, the clerk shall reject the application. (Sec. 86.001(f)). If an application is rejected under Section 86.001(f), the clerk shall provide notice of the rejection. The notice must include information regarding the ability to correct or add the required information through the online ballot by mail tracker described in Section 86.015(c). (Sec. 86.001(f-1)). If the applicant corrects the application for ballot by mail online and that application subsequently identifies the same voter identified on the applicant's voter registration application, the clerk shall provide a ballot to the voter. (Sec. 86.001(f-2)).

Last day to conduct public L&A test of a voting system. We highly recommend that this test is done on an earlier date to allow time for corrections to programming, if necessary. (See Note 13, above). Per Section 129.023, the L&A test shall be conducted not later than 48 hours before voting begins on such voting systems, assuming that the voting system will first be used for early voting in person.

The temporary polling place(s) must remain open the same days as the main early voting polling place for at least 8 hours each day or 3 hours each day if the city or county clerk does not serve as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters;
2. in a county with a population of 120,000 or more but less than 400,000, the commissioners court must establish one or more temporary polling places, other than the main early voting polling place, in each commissioners precinct containing territory covered by the election. The temporary polling place(s) must remain open the same days as the main early voting polling place for at least 8 hours each day or 3 hours each day if the city or county clerk does not serve as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters; or
3. in a county with a population of 100,000 or more but less than 120,000, the early voting clerk must establish one or more early voting polling places in each commissioners precinct for which the early voting clerk receives a timely filed written request signed by at least 15 registered voters of that precinct. The temporary polling place(s) must remain open the same days as the main early voting polling place for at least 8 hours each day or 3 hours each day if the city or county clerk does not serve as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters. (Secs. 85.062, 85.064).

NOTE: If a county has a population under 100,000, voting at a temporary branch polling place may be conducted on any days and during any hours of the period for early voting by personal appearance except that voting at a temporary branch polling place must be conducted on at least two consecutive business days and for at least 8 consecutive hours on each of those days. (Sec. 85.065).

**NOTE – NEW LAW: SB 1 (2021, 2nd C.S.)** requires the presiding judge of the central counting station to provide and attest to a written reconciliation of votes and voters at the close of tabulation for election day and again after the central counting station meets for the last time to process late-arriving ballots by mail and provisional ballots. (Sec. 127.131). Preliminary Election Reconciliation – Unofficial Totals form (Election Day), Election Reconciliation Form – Official Results (Canvass Form).

**NOTE - Receipt of Mail Ballots:** All early voting ballots sent by mail from inside the United States that are received by 7:00 p.m. on election day, November 8, 2022, must be counted on election night. If the carrier envelope does not bear a cancellation mark or a receipt mark, the ballot must arrive before the time the polls are required to close on election day. (Sec. 86.007(a)(1)). If the early voting clerk cannot determine whether a ballot arrived before that deadline, the ballot is considered to have arrived at the time the place at which the carrier envelopes are deposited...
was last inspected for removal of returned ballots. (Sec. 86.007(b)). The early voting clerk must check the mailbox for early voting mail ballots at least once after the time for regular mail delivery. (Sec. 86.007(b)).

NOTE: An early voting mail ballot that is not received by 7:00 pm on election day may not be counted unless the ballot may be counted late, which applies to late domestic ballots (Sec. 86.007(a)(2)), ballots mailed from outside the United States (Sec. 86.007(d)), and ballots from members of the armed forces and merchant marine of the United States, Texas National Guard or the National Guard of another state or members of the Reserves, as well as their spouses and dependents (Sec. 101.057). See entry for Wednesday, November 9, 2022 on “late domestic ballots,” and entries for Monday, November 14, 2022 on “late” ballots. See Tex. Sec'y of State Election Advisory No. 2018-02.

NOTE - Delivery of Early Voting by Personal Appearance and Mail Ballots: The early voting clerk delivers the voted ballots, the key to the double-locked ballot box, etc., to the early voting ballot board at the time or times specified by the presiding judge of the early voting ballot board, during the hours the polls are open or as soon after the polls close as practicable. (Secs. 87.021, 87.022). The custodian of the key to the second lock of the double-locked early voting ballot box delivers his or her key to the presiding judge of the early voting ballot board on request of the presiding judge. (Secs. 85.032(d), 87.025). The custodian is the sheriff for county elections, elections ordered by the governor, and a primary election (or the county judge in a year when the office of sheriff is on the ballot). The custodian is the chief of police or city marshal for city elections, and the constable of the justice precinct in which the political subdivision’s main office is located (or the sheriff, if there is no constable), for other political subdivision elections. (Sec. 66.060). If ballots are to be delivered before election day, the early voting clerk must post Notice of Delivery of Early Voting Balloting Materials at least 24 hours before each delivery at the main early voting polling place.

NOTE - Delivery of Early Voting Ballot to Early Voting Ballot Board Before Election Day: Early voting ballots may be delivered to the early voting ballot board at any time after early voting by personal appearance ends. Mail ballots may be qualified and processed (signatures verified, carrier envelopes opened, and the secrecy envelope containing the ballot placed in a secure location), but they may not be counted until election day. (Secs. 87.0221, 87.0222, 87.023, 87.024, 87.0241). If ballots are to be delivered before election day, the early voting clerk must post notice at least 24 hours before each delivery at the main early voting polling place.

Exception: Counties with a population of 100,000, or more or entities that are having joint elections with counties with a population of 100,000 or more, may process the mail ballots (i.e., qualify, and accept or reject, but not count) as early as the 8th day before the end of the early voting period; in such an election, votes may be counted no earlier than the end of the period for early voting by personal appearance; the results may not be released until the polls close on election day. (Secs. 87.0221, 87.0222, 87.023, 87.024, 87.0241(b), 87.042). If ballots are to be delivered before election day (i.e., after the end of the early voting-in-person period but before the polls open on election day), the early voting clerk must post notice at least 24 hours before each delivery at the main early voting polling place. (Secs. 87.0221(b), 87.023(b), 87.024(b)).

NOTE – NEW LAW: SB 1 (2021, 2nd C.S.) amended Section 127.1232 to provide that in counties with a population of 100,000 or more (or political sub-divisions contracting with a county with a population of 100,000 or more), the general custodian of election records shall implement a video surveillance system that retains a record of all areas containing voted ballots: (1) from the time the voted ballots are delivered to the central counting station until the canvass of the precinct election returns; and (2) from the time the voted ballots are delivered to the signature verification committee or early voting ballot board until the canvass of precinct election returns. Video from the surveillance system shall be made available to the public by live stream. The recorded video is considered an election record and shall be retained by the general custodian until the end of the calendar year in which an election is held or until an election contest filed in the county has been resolved, whichever is later. (Sec. 127.1232).

NOTE - Manual Examination of Ballots Before Processing on Automatic Counting Equipment The central counting station manager shall direct the manual examination of all electronic voting system ballots to ascertain whether the ballots can be processed in the usual manner or if the ballots need to be duplicated to clearly reflect the voter’s intent. (Sec. 127.125).
NOTE - Testing of Tabulating Equipment: The second test of automatic tabulating equipment used for counting ballots at a central counting station must be conducted immediately before the counting of ballots with equipment begins. The third test must be conducted immediately after the counting is completed. (Secs. 127.093, 127.097, 127.098).

NOTE - Precinct Election Returns: Precinct election returns are delivered to the appropriate authorities after completion. (Secs. 66.053(a), 127.065, 127.066, 127.067).

Transfer of Provisional Ballots to Voter Registrar Election Night: The county voter registrar may take possession of the ballot box(es) or transfer case(s) containing the provisional ballots (or provisional ballot affidavits when DRE systems are used) on election night (instead of on the next business day) by informing the custodian of election records and posting a notice of such election night transfer no later than 24 hours before election day. Under this type of delivery, the voter registrar must go to the office of the custodian and pick up the ballot box(es) or transfer case(s) and associated forms. (Sec. 65.052; 1 T.A.C. §§ 81.172 - 81.174 & 81.176). See Verification of Provisional Ballots and Serial Numbers.

After the polling place is officially closed and the last person has voted, the presiding judge may from time to time make an unofficial announcement of the total number of votes counted for each candidate and/or for or against each proposition in the order that they appear on the ballot. (Sec. 65.015(a)). The announcement shall be made at the entrance to the polling place. (Sec. 65.015(c)).

NOTE: The authority conducting the election may require or prohibit such announcements. (Sec. 65.015(b)). Unofficial election results must be released by the central counting station as soon as they are available after the polls close, but the presiding judge of the central counting station, in cooperation with the county election officer, may choose to withhold the release of vote totals until the last voter has voted. (Sec. 127.1311).

Last day to post notice of governing authority’s meeting to canvass returns of election if canvass is to take place on Friday, November 11, 2022 (3rd day after election). (Sec. 67.003(b)). This notice must be posted at least 72 hours before the scheduled time of the meeting. (Secs. 551.002, 551.041, 551.043, Texas Government Code).

Counties, Cities, and School Districts: NEW LAW: SB 1116 (2021, R.S.) amended Chapter 65 of the Election Code by adding Section 65.016 of the Code regarding election results information which must be posted on county, city, and school district websites. A county that holds an election or provides election services for an election for a public entity must post certain information regarding election results on their website after the election. A city or independent school district that holds an election and maintains an Internet website must also post certain information on their website related to election results, even if the county is also posting. All entities must post the required information as soon as practicable after the election. The required information includes:

1. the results of each election;
2. the total number of votes cast;
3. the total number of votes cast for each candidate or for or against each measure;
4. the total number of votes cast by personal appearance on election day;
5. the total number of votes cast by personal appearance or mail during the early voting period; and
6. the total number of counted and uncounted provisional ballots cast. (Sec. 65.016).

We recommend that election results information remain posted on the entity’s main page (or within two clicks of the main page) at least until the next election, and that the information continues to be available for the full 22 month retention period for election records. Entities may choose to make older election results information available on their website. See Note 3.

NOTE: The general custodian of election records for the general election for state and county officers must maintain a list that states the total number of votes cast in each precinct by personal appearance on election day. This list must be available for public inspection not later than the day after election day. This information must be submitted to the Secretary of State and posted in a downloadable format on the Secretary of State’s internet website. (Sec. 66.0021).
Wednesday, November 9, 2022 (1st day and 1st business day after Election Day)

5:00 p.m. – Deadline to receive "late domestic ballots" mailed within the United States from non-military voters and from any military voters who submitted an Application for Ballot by Mail ("ABBM") (not a Federal Postcard Application – "FPCA"), if the carrier envelope was placed for delivery by mail or common or contract carrier AND bears a cancellation mark of a postal service or a receipt mark of a common or contract carrier or a courier indicating a time not later than 7:00 p.m. at the location of the election on election day, November 8, 2022. (Secs. 86.007, 101.057, 101.001). A late domestic ballot cannot be counted if it does not bear a cancellation mark or a receipt mark.

NOTE: Because of the deadline to receive "late domestic ballots," it is imperative that you check your mail at 5:00 PM.

NOTE – Section 86.007 provides that a marked ballot voted by mail that a voter received due to submitting an ABBM may arrive at the address on the carrier envelope not later than 5:00 p.m. on the day after election day, if the carrier envelope was placed for delivery by mail or common or contract carrier from within the United States and bears a cancellation mark of a postal service or a receipt mark of a common or contract carrier or a courier from not later than 7:00 p.m. at the location of the election on election day.

NOTE: This deadline does not apply to ballots sent by non-military voters who are overseas but applied for a ballot using an ABBM; these voters have until the 5th day after election day to return their ballots (or the next business day if the 5th day falls on a weekend or legal state or federal holiday). This deadline also does not apply to ballots mailed (domestically or from overseas) by certain members of the military who applied for a ballot using an FPCA; those voters have until the 6th day after election day to return their ballots. See entries for Monday, November 14, 2022.

Unless the county voter registrar has already taken possession of the provisional ballots prior to this date, the general custodian of election records must deliver the ballot box(es) or transfer case(s) containing the provisional ballots (or provisional ballot affidavits when DRE systems are used), along with the Summary of Provisional Ballots and the List of Provisional Voters for each precinct to the voter registrar by this day. The general custodian of election records makes this delivery to the voter registrar during the voter registrar office’s regular business hours. (Secs. 65.052, 65.053; 1 T.A.C. §§ 81.172 – 81.174, 81.176).

Note for Political Subdivisions Located in More than One County: A political subdivision will have to make delivery of the provisional ballots and forms to the county voter registrar in each county in which the political subdivision is located. (1 T.A.C. §§ 81.172 – 81.174).

NOTE: If the county voter registrar wants to take possession of the provisional ballots and forms on election night (Tuesday, November 8, 2022), the county voter registrar must inform the custodian of the election records and post a notice of the transfer no later than 24 hours before election day. However, under this type of delivery, the county voter registrar must go to the office of the custodian of election records and pick up the provisional ballots and forms. Also, note that the county voter registrar may take possession of provisional ballots prior to election night if ballots are kept separate and may be provided without unlawful entry into ballot box. (1 T.A.C. §§ 81.172 – 81.174).

Further, the delivery is considered timely if the carrier envelope or, if applicable, the envelope containing the carrier envelope is properly addressed with postage or handling charges prepaid and bears a cancellation mark of a recognized postal service or a receipt mark of a common or contract carrier or a courier indicating a time by 7:00 p.m. on election day.
